S. W. Dawson Esq^r

Dear Sir

I have learned from Mr. Ford
that "Mr. John Stephens a Cornish Captain has been
engaged to come out by the next steamer to examine
the ground near Polson's lake, and he says it would
be very desirable to have him introduced to you, as he
might thus obtain some valuable hints from you which
would probably help him materially in the main object of
his important mission."

If you should be obliged to leave home before he arrives,
I will thank you to remember to forward to me the
information that you kindly promised, so that he may
be able to proceed at once to the most important points.

I remain

Dear Sir

Yours truly
Henry Postle
