

Bank of Montreal.

Montreal, 29 Aug 1857

Messieurs

I have thought your  
Father could not do better  
than purchase at present  
some of this Bank Stock.

It will yield him a good  
return to the 1 Decbr. when  
the half year dividend  
is payable, and the same  
easily be disposed of

At any time, should you  
better invest near you.

As you left the matter to me  
I have purchased 26 shares  
and I enclose a Memorandum  
of the account.

Believe me  
Yours truly  
Alfredson

As it may be of interest  
to your Father I enclose

The last Report of the Bank.
