REGISTRAR'S FILE  
(Return to Registrar)

My dear Sir

I sent last week  
the no of the Naturalist  
you desired, and trust it  
will reach you safe.

I mentioned to you  
when here, the incomplete state  
of our set of Smithsonian Publications  
I now enclose a list of what  
we have; and shall regard  
it as a great favour if you

Our University has more students  
of natural history than any  
other in Canada, so that  
the books are liked to  
be extensively useful here.

With all good wishes  
Yours truly

Prof Barroet to

McGowan

P.S. I am laying aside for  
you some duplicates of Georgian  
Plants, which I trust to send  
named when I have completed  
my descriptions. W.D.
