McGill Col,
Montreal,
July 28, 1867.

My dear Sir,

I beg to enclose
except your own Librarian
for Smithsonian Report re-
ceived a few days ago.
I may mention that up
to 1859 you were in the
habit of sending two
copies, one addressed to
me and one of the
College Library. Since that
time only one copy has
been sent, sometimes

addressed & me three
times of the Library.

May I ask on what
terms I could com-

plete my set, as

I find it useful to

have one at hand

for reference. If I

knew of whom to

send, I would willingly

pay for them; but per-

haps you would con-

sume the duplicate

copy. We was wanting

one 1839 at 8/6

With all good wishes

Yours truly

J. D. Adams
