Prof. J. W. Dawson.

Dear Sir,

Since it is impossible to hear from you in time to make my other arrangements, I have assigned Dec. 29, 31, Jan. 5, 7, as the four evenings of your lectures. This period wants but one day of the time you mention in your letter - from Dec. 14 to Jan. 6. and I hope will suit you.

Can you inform me how the Institute, and where, it can procure the Geological surveys of the British Provinces? We cannot find them in our market.

Yours, truly,

N. H. Morison.
