

Smithsonian Institution,

Washington, March 25 '69

Dear Sir;

We have much pleasure
in acknowledging, with many thanks,
the arrival of the very interesting
box of Archaeolog. objects—original
and casts from Hockelaga. They will
be placed in their proper associations
in the collections of the Institution,
and duly marked with the name
of the donor.

The packages for Germany
will be forwarded as addressed.

Very truly, yours, &c

Dr. J. W. Dawson,
McGill College,
Montreal.
