

J. Melaire

April 13. 1874

My dear Sir

I understood from
Mr. MacArthur that his
students attended your
lectures on Botany
with great interest which I
made out I wrote "Botany"
opposite your name
in my list and it

I'm making out another
leaf out the word

Now what you say I
presume best regards
I am sorry for it I would
gladly see your name
on the Diploma,

Yours very truly

Samuel
