My dear Sir

I have put up & addressed  
by me the two copies of The Atlantic  
Monthly containing Mr. Elliott's papers  
on "The New Education." With them a  
copy of the little sketch I spoke of: the  
geology of Canada in France. Will  
you kindly let your messenger call  
for them. Sir William is in town  
today. I sent your notes last night  
I think he will send his letter to  
Mr. Rose tonight.

Very sincerely yours

J. Sterling Hunt
