S. M. Dawson Esq.

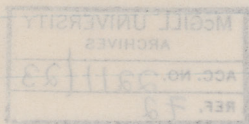

Adm.

We have handed  
a copy of the Acadian Geology with four  
couplets to the Nat Hist Institute -

We have been pushing  
the sale of the Geology by employing an  
agent to canvass. We hope during the  
summer to get off most of the present  
edition in our hands. We shall let  
you have the balance of it as early  
as possible.

Yours obly

A. W. Mackinlay
