

Rochester, June 12, 1869.

Dear Sir,

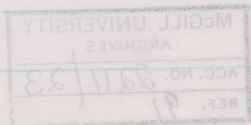

I have just received your favor of the 10th inst. to Prof Ward, with list of fossils that you were about to send. We shall be on the look out for them.

In making the shipment of Casts, Mr. Howell by error omitted to prepare and send blocks to support the Foraminifera. I have given directions to have some made, and will forward them as soon as ready.

Yours Truly

G. R. Gilbert  
agt. H. A. Ward.
