

Harvey Albert Coz

M.B. 19th June 1869

J. W. Dawson LL.D. F.R.S.

Dear Sir,

I have a son eighteen years of age who chooses an education in preference to a trade as he will eventually bear his own expense he will likely enter the field as Teacher at an early date. He has already made very good progress in all the branches required to enter college excepting the classics which he has hitherto had no opportunity of pursuing. Sometimes he talks of taking the degree B.A.

I should be thankful to be informed whether he a resident.

of MS could obtain the bursaries
in aid of Board Travelling expenses
by complying with the conditions of
the McGill School Requisites also
what those conditions are and
what would be the probable
salary of the Teacher after leaving
said McGill School Also what
the cost per year would be for
Board Tuition &c all included
when the Bursaries are granted
and when they are not

By returning an answer to the
above questions with such other
information as you may think
proper to my address Harvey,
Albert County, New Brunswick, Canada
you will greatly oblige

Yours Truly
Thomas Bishop
