

Ragun Reef N.S. Aug 21<sup>st</sup> 1869,  
Prof. J. H. Dawson;

Dear Sir;

Your  
favor of the 9<sup>th</sup> is at hand.

As I have neither facilities or  
experience in taking cast of  
of fossil, I have concluded  
to send you the original by  
express which goes with this  
today. Please use it as you  
would if found by yourself &  
return it by Express when  
you have examined it to  
your satisfaction. If you  
think proper you can re-  
move enough of the stone to  
expose the teeth or make any  
change that you wish without  
of course destroying it.  
If you think it worthy

of publication I shall  
be pleased to have you  
take steps to bring it before  
the public

Yours in haste
