

20. Halsey St

Oct. 7th 1869.

Dear Sir,

I shall be very
happy to receive Mr.
Lawson and can
assure you that nothing
shall be wanting on
my part to secure his
comfort. As I have an

engagement for this
should esteem it a
favor if you could put
off his coming till
tomorrow as I should
wish to be at home to
receive him.

I am dear Sir,

Yours very truly
Anne Green
