

7 Wigmore Street, Cavendish Square, W.

London, Oct. 26, 1869

W. S. W. Dawson,  
McGill College,  
Canada.

Sir,

Your letter of the 8<sup>th</sup> inst. is to hand. I regret the screws of the new stage did not suit your stand, but that was unavoidable, as the form and general details of my present microscope somewhat differ from those made at the time your instrument was supplied.

Further explanation if necessary will be given to your son when I have the pleasure of seeing him in London.

Yours respectfully

Thos Ross
