

Montreal Decr. 7.

My Dear Sir

I enclose to you a note of  
Mr. Thomas Meehan about the peculiar  
growth on some spruces from Nova Scotia  
of which I spoke to you. As I did not  
read his paper & moreover knew  
nothing of Physiological botany  
I do not clearly understand his septa-  
tion.

I have not yet got any news from Salem  
Very truly Yours  
J. Sterny Bunt
