

Dear Mr. Dawson,

Many thanks  
for your note about  
my son. I would have  
acknowledged its receipt  
sooner, only that I was  
in bed for three days  
from the effects of cold.

My brother in law  
Mr. Alex. Galloway has  
vacancies for two lads

such as the one your  
good wife recommen-  
ded to me before -  
should you or she  
knows of any whom  
you can recommend  
and would give  
them your card to  
deliver to him - it  
would be an advantage
