My dear Sir

I have today received
a letter from my Son in
New Zealand who says
that he will shortly come
to England unless he soon
meets with some good
employment -

I can therefore have no
hesitation in offering Mr.

Mr. Selwyn that if he
has a vacancy on the
Canadian Survey my
son will be a Candidate
for it.

I will write to
him by the Mail which
leaves on the 25th -
requesting him to come
home without delay
and I will thank you
to say to Mr. Selwyn that
he may depend upon his
joining him in Canada
as soon as possible if on

his arrival here he
learns that Mr. Selwyn
has a vacancy on the
Survey for him -

Ever my dear Sir
Very truly yours
Rich^d Drowe
