

18, Queens Gate,

Hyde Park. W.

Tuesday 17th

Given Dr Dawson
a note to Dr Hensell
& Dr Franklin about
getting into Woodhouse
with the Hares. They
have unfortunately named
dogs that I fear will
hardly suit for
- 1 day Thursday
at 9. P. M. for the

MS. A. 1. 1. 1. 1.

Common to the House
at 5 for the Lord.

If you can manage
with the seed in the
Cards to -

Mr. Russell at the

of Franklin at

the Lord, & they

will arrange for admission.

It appears there is

some difficulty about

radical seats in

the Commons, but

Mr. Innes thinks

he can manage it.

I fear how that

their choice of day

Ros. 1 May 1760

has been very informat.

Received the sum

of money

from the
