

18, Queens Gate,
Hyde Park. W.

Dear Barbara

I am very sorry
you should have bothered
yourself writing. I
knew there must have
been some mistake, &
if you had not been
speaking at the time
I was there I should

have sent in my
card.

I am making
some little progress
in the other matter
& am not wholly
without hope
about it.

I hope to see you
& Mrs Dawson
soon.

Believe me
Ever most sincerely
Yours
Samuel
