G. M. Dawson Esq:

Sir,

In reply to your favors received today, we beg to inform you we still can find no trace of your two packages. They are not at Fenchurch St. or Minst. St. but the authorities at Fenchurch St. say the goods would be returned to Brick Lane Station if they originally started from that place. We are writing to the latter place tonight. The other three packages have arrived safely at the Docks making five packages in all.

We remain Sir,

Yours Obed^{tly}
