

16, Belgrave Square.

J. Nass  
10/20

My dear Dr Dutton.

It is one of the

books the Henry Lloyd is  
one of my so fine, Dr Lloyd

of Sweden who did me

very good service when I

first got up to the

Vilnius. Russia.

Dr Lloyd gave to

Manuscript  
over page

Mentel is the hope  
of staying (as seems to  
be in hospital here)  
some employment as a  
Clerk.

He is a very steady  
good youth & writes  
good hand. He also  
knows something of surveying  
Should you by accident  
know or hear of any  
employment for him however

health, I should be very  
wretched if you  
put him in the way of  
obtaining it.

I was called <sup>"</sup>poor  
temperance to explain his  
a Clerk in the Mining  
Office — but that their occupations  
had ceased.

I have given him  
letter to Sir W. Doyne  
who is probably near

likely the quantity  
to be able to aid her

Examine us to the

this liberty  
I believe in the

your sincerely

Richard M. [unclear]
