Dear Sir.

Enclose a copy of a prospectus of a work I have been long engaged upon & which I think will interest you.

I have been advised to bring it out by subscription as it is not intended for commercial profit. The list of supporters

already received will I hope serve
as a recommendation to you to assist
in publishing the work by adding
your name & further by submitting
the prospectus to any friend who
you may know to be interested
in Educational matters -

Perhaps I ought to add that the
book will be ready for the new
year -

I am Sir

Yrs Truly

My dear Sir

Will you kindly look
at the within. I think
the book should be
in the Normal School

Yrly.
