Dear Doctor

I beg to acknowledge
the receipt of your favor
and also of a notice
to attend the meeting
on Monday evening,
but as I have a previous
engagement I shall not
be there. I am glad

it is proposed to make
Archæology a prominent
feature of the forthcoming
Convergence of the Natural
History Society. The few
Canadian Antiquities in my
possession I regret to say
are not worth sending for
exhibition. My Cabinet
is filled chiefly with Roman
and Egyptian Antiquities collected
at home and abroad.

With thanks for having placed
my name on the Committee

I am as ever sincerely
Stanley C. Bagge

Dr Dawson.
