Principal Dawson  
McGill University,

Montreal. I have handed  
your letter respecting a loan  
of Aboriginal Antiquities to  
Prof. Dupuis, Curator of our  
Museum, with the request that  
he give timely attention to it  
and I have no doubt he will.

We will of course depend  
upon the objects being properly  
cared for and returned, all  
responsibility in connection therewith  
being assumed by you.

We have some fine specimens

one in particular recently ac-  
quired, but too fragile to be  
sent.

Yours faithfully  
W. S. Woodruff
