Dear Sir

Please accept thanks
for your kind note of
yesterday, and I trust the
work therein referred to
will prove of such a na-
ture as to somewhat merit
the honor of having your name
connected therewith.

With reference to your
inquiry respecting my brother
Mr. Henry Sandham I would
say that he is at present
engaged as artist with the

W. Robman. I do not
think that he has as yet
assumed the position of
a teacher, whatever he may
yet decide to do. but any
information could be obtained
from him personally, at Mr.
Robman's or at his residence
226 St. Urbain St. If I can
be in any way useful towards
conveying a message to him
I shall be only too happy
to do so

I am
Yours respectfully,
A. J. Macdonald
