

with some attempts up
tides run up any
winter any day
can to make the tide
up & us

when the young
of the water to help
Prof. S. could not
have supposed
that he would
have offered to
purchase such results
unsuccessful as they
were to the public & to
the university as well
such success.

Copy of faulted
Mar/20

Should you not see
the work in the
it is not complete
There the very
numbering is
that it has
Gyrfur and
for the
able to
find the
as follows
