

Monkwell 17 Apr. 71

Dear Sir, In answer to your
note (as to Henderson) of this
morning I can only say that
the District and Sops no application
for bail has been made.

I called on Dr. Beau-
bien (Jail Physician) this P. M.
He had not seen Henderson, but
s^d he w^d do so tomorrow then
I shall see what he says of
him. No condition can be
made as to bail such as
you mention.

He must if he is
found insane be sent either
to Beaumont, or else to

friends must have been
sent elsewhere - the latter
w^d. be much preferable
of course -

I shall try and
run down to jail to-
morrow if I find it
necessary after seeing
the doctor - I don't
see that I can be
of much use professionally
but I must do what I
can to prevent y^r.
being further an-
noyed by him
