Dear Sir

At a meeting of the Officers  
bearers of the Mercantile Library  
Association held at their rooms  
on Monday Evening last, a  
Sub-Committee, consisting of  
Messrs. Gibson, McLean,  
Trentham, and the writer  
was appointed to visit on the  
office bearers of the Natural  
History Society for the purpose  
of ascertaining whether an  
amalgamation of the two So-  
cieties could be effected, and  
to report thereon at an adjourned  
meeting to be held on Tuesday  
next. I would therefore  
feel greatly obliged if you  
could afford us an early op-  
portunity of conferring with

you on the subject
