My dear Dr. Hanson

I have received from my
able work on Geology
for which please accept my
thanks - I have given directions
to the instructions sent to Command
P.O. Scott and Larrie the Officers
in charge of the vessels under my
Command in the bay and on the

Coast of Nova Scotia and New-
Brunswick and a copy of which
I have sent also to you for the

I trust your efforts may
result beneficially to the cause
of Science

Yours very truly
