Prof. W. M. Dawson

My dear Sir

Your kind invitation to dine
look through the College buildings has been
forwarded to me at my office
I regret that a Sabbath
appointment compelled me to leave Montreal
Saturday Morning

With many thanks for your kind invitation
& regrets that I was obliged to leave so soon
I indulge the hope that I may see some
of you & your fellow S. S. Workers at some
future time not far distant

Yours Cordially

S. B. Tyler
