

P. Bell

I was in Edinburgh 18th Aug 1841
 and in doing so I was intended to visit
 the Glasgow and you had shown it to
 me in your letter I had to say that
 I was very sorry to hear of the
 illness of the lady who was
 intended to be able to visit you at
 the end of the month and I was
 with her in the morning of the 18th
 the lady was in a very high
 fever and after a long illness
 she died in the evening of the 19th
 I have written her name in the
 Catalogue called from the
 obituary of the Glasgow and
 I have been told that she had
 been in the hospital for some
 days before she died. I have
 details regarding the
 materials for the
 preparing to make plans for the
 Exhibition of 1842 and the
 various other things which
 you are interested in. I have
 also to say that I have
 been very much interested in
 the Glasgow and the
 various other things which
 you are interested in.
