

Dear Dr. Dawson

I thank you
very much for the ticket
admitting myself and
children to the College
grounds - wish you if
I am spared I will re-

the summer, I will re-
-turn me at the beginning
of the ~~year~~
I am very sorry I could

for I do not think I am
inclined to "disturb the
peace" at any time!

In my impression of
mind last night, I quite
forgot to congratulate you
on the honors you and
George had attained in
England. It must be
very gratifying to you and
his mother.

Will you enclose the
above on the first page,
& again thanking you
for your kindness be -
lieve me
Yours truly
Wm Parker
