Dr Dawson,

My Dear Sir:

On my return I find
your two letters & the M.S. ^{with} & pamph-
let on Post Office for all of which I am
greatly obliged. I have been absent on the
account of the Atlas - & feel much pleased
with my success - as I understand that my
publishers will commence the printing of
it by Jan 1 - so your contributions are
very timely. Prof Bailey has sent me
the sketch for New Brunswick -
