Dr Sir,

I am a friend of
Mr Peterson 50 Lombard
St London who gave me
your address when I
was in Montreal. I did
not call on you for any
advice not knowing at
the time I needed it
I must now tell you I
married a Mr W Perry
eldest son of Mr Perry

18 St Laurent I was only
married to him 3 months
when I was compelled to
leave him principally
from ill treatment
I consulted Dr. Moulton
for his advice and he
advised me to go to the
States to get a divorce
from him since my
stay in Washington I
asked a lawyer his
advice when he told me
I could only obtain one
in the place where we

were married or where Mr
Berry resides which I could
do by stating my case to
a Member of Parliament
not knowing one myself
I should feel greatly
obliged by your giving
me the address of one
being very anxious to
get settled as soon
as possible not wishing
to live with him again

I am

Yours respectfully
E J Berry

Mr Perry

Announcement states the un-
popularity of Perry shown
here in the circumstances
and my incapacity to act
in such a matter; and
advising to leave Mr Perry
to take the initiative
