

Ch. Town. 30th Jan^y 1872

My dear Sir

Your fav. of 19th Inst

has been duly received, as was
also that of the 10th inst
inclosed - I must ask Your
pardon for my neglect in not
writing you before - I may
however say in justification
that I have been a good deal
from home and for the last week
have been confined to my bed room
with violent cold and a
slight attack of bronchitis

The Assistant Clerk of
the Executive Council was
instructed to remit you the
Am^t of $\frac{1}{2}$ including \$100. for
Dr Hamington, which I think
he did to week ago today and
I trust it will reach you
safely - The two lots of Books
came to hand all right.

The Report is well got up
and contains a great deal of
valuable information, It is well
worth the expenditure and I am
sure we should feel much
indebted to you for the trouble
you have taken, and the value

time which you have given in
getting up the report and
superintending its publication -

The hundred copies for
distribution by yourself is
of course all right.

Very truly yours
James C. Ashe
