(Museum and Office, 76 S^t Gabriel Street) MONTREAL.

16th Feb^y 1872

My dear Sir

Did I give you a memorandum
of Mr. Cott Barlow giving the particulars of
the circumstances of the discovery of the
foot-prints of Sauropus unguifer. and if
it would you please return it to me.
I should like to send your description
for publication either to the Canadian
Naturalist or to the Geological Magazine
and might preface it with a few words about
the locality and circumstances of the discovery,
and send with it a copy of the photo: of the
Ottawa specimen. —

If you will let me know the date of your lecture
I will

Several times in two of the weeks to the Dal. Univ. Library
from, for the reason
Very truly yours
