My dear Sir

There is really only  
one good quality of Paper Sugar  
of your like I will prepare  
above such as I have to  
the Prince Arthur, made  
up into various forms  
a Russell's Beer, perhaps  
amongst others, and  
the common beck of

commerce, you can  
forward it to the Russian  
authorities as a contribution  
from McGill College

If you want something  
on a larger scale I can  
obtain it from some  
of our best makers at a price.

Yours very truly

J. Dawson, Principal  
McGill College
