Dear Sir,

The President of the Ladies' Educational Association desires me to call a special meeting of the General Committee early in April.

We shall be glad on that occasion to confer with you on the subject of the Seymour Memorial Fund and to receive from you any suggestions you may think fit to offer.

The 8<sup>th</sup> April is the day named by President subject to your convenience.

If that day should not  
suit you, will you kindly  
let me know as soon as  
possible.

I remain

Dear Sir

Yours faithfully
