

Goldieland, Hawick, N.B.
30th March 1872

Dear Sir,

About two months ago
I wrote to thank you for the
handsome volume you so kindly
sent me, enclosing, at the same
time three new photographs of
our Lower Silurian impressions,
hoping that they would be suffi-
cient to satisfy you of their reputable
origin. At all events I should
have been glad to receive your
valuable opinion. Mr Carruthers

is puzzled with them, and desires
to give a decided opinion.
If you have received them, be so
kind as to tell me what you
think of them.

I am,

Dear Sir,

Respectfully

James Elliot
