My dear Dr Dawson

I return you Mrs Greaves letter. I wrote him a long letter & sent him a copy of my paper in "Horites" yesterday, & after reading the letter of his again, have just indited a second letter, which will I hope make some matters clearer to him than before.

I have much obliged for the kind letter with resolutions from the Board of Governors of the University just received.

I am a cripple with rheumatism & have been nearly all the week, but am improving slowly I think. I have just mailed my completed reply to Dana with a letter, and await with curiosity his reply.

Very sincerely yours

W. Sterling Hunt
