

Montreal 8 June 92

My dear Sir,

I rec^d your telegram
on Saturday, and transmitted
its contents to W Pinnrose
- I rec^d from him to day in
reply. " Don't understand
what executive Committee
means - who are they to act
for and what are their duties
- Can give unexceptionable
evidence as to fulfilment of
our agreement - telegraph
Plethor if necessary "

Of course I cannot reply
to W Pinnrose's enquiries
as I am as much in

the dark as he is -

I have had a visit from
Mr. Austin. Mr. Pentecost
is a legal adviser ~~in~~ who asks
me to write a letter stating
that on Mr. P. depositing to
my credit the money - ~~As~~ I
am to state that Mr. P. has
performed his part of the
contract. - I shall of course
be very careful about
writing letters without first
communicating with Mr. Primmer.

It is now quite evident
that Pentecost means to carry
through this purchase. - ~~Oh~~
I hope he will ~~do~~ but
these telegraphic communications
are not particularly
