

27, Paternoster Row,

London, July 30 1872

E.C.

Dr Dawson

Dear Sir,

We have safely received Chapter 8 to 13 of Story of the Earth. We have previously written about the Frontispiece.

Kindly send Preface, Contents &c as soon as convenient. It will be well to have all in hand. You will be able to do this we presume after you have received the last paper on Primitive Man

We are Dear Sir,
Yours faithfully
Hodder & Stoughton
