Aug. 7th 1872

My Dear Dr. Dawson

I see that you are having
deep sea ^{in depth} explorations this season
again. Now to come to the
point at once. I want a share
of these findings for our Museum.
Can I have it? The cost I
will pay if it is not beyond
our means. If I cannot
get what I want, you need
not trouble to write.

I am
Sincerely yours
A. S. Kemp
