

Knowlton, 29 Aug.
72.

My dear Principal, Thanks for
your note of yesterday, & for
your recollection in all your
hurry, of my soapstone.

I shall be very glad indeed
to see you the earliest day or
days you can come, of next
week. If Monday afternoon
will suit you, let it be then,
please; or if not let me
know your earliest conveni-
ent day, & I will make it
suit me. As soon as I can,
how ever, I ought to be free
to move.

Canst you bring Mr & Mrs Daw-
son & George with you? They
S. W. Dawson, Des. 3
F. H. S.

or either of them would be more than welcome for any longer stay than you may be able to afford.

Apart wholly from soapstone, I am very anxious to see yourself. We shall all be very glad to see George, whether with you, or alone, or only with Dr. Dawson. But do come all three, if you can.

I have been looking over the place, & setting out the limestone str. places, the best way I can. There are more extensive indications than I had at first supposed. But I am far from confident as to their true interpretation. Though I apprehend the ridge will be easily enough read by you or George.

For nearly a week I
have been pretty poorly, but
am about round again.

All unite in best remem-
brances to all yours. Our
mother & I am most anxious
to see yourself about, it
that of my plans for
Dusdie's schooling.

In haste,

Yours most faithfully,
Christy Rankin.
