

Lern Wood

Dear Sister Dawson

Your daughter
goes to you today I hope she
^{will} arrive safe. we are all sorry
to part with her she has
quite won all our hearts
such a merry happy disposition
and pleased with every thing
she sees, and such a trust in
her God may he lead and guide
her in all her ways with every
kind wish for you all as the
sincere wish of your affectionate
Friend
L. Wood
