My dear Sir:

I am  
in receipt of your note of  
to day — in reply, leave the  
whole matter in your hands.

I  
understand D. Snodgrass is  
in Town and residing with  
Mr. John Rankin.

If convenient,  
you might drop him a few  
lines before he leaves.

With much respect

I am

My dear Sir,  
Yours truly

A. S. Woods
