My dear Sir,

In reply to a circular
signed by you and Mr Chaps-
man, lately received, I beg to
state that we have an
annual gathering of all our
Sabbath Schools on Christmas
morning as usual, which will
I fear be an obstacle in
the way of any thing like
a general attendance of the
scholars belonging to our school
on the occasion mentioned
in your Circular. I shall

I have the honor

to receive very gladly interest
the series to be held in Zion
Church & St Pauls S. School,
and visit its attendance.
Can you inform me what
progress has been made
in the direction of adopting
the "Uniform Sabbath School
Bible Lessons" in our
Canadian S. Schools?

Respectfully yours
Dear friend

John W. Newson L. L. D.
