

CANADIAN PACIFIC RAILWAY,

Office of the Engineer in Chief,

Ottawa Dec 19 1872

My Dear Sir,

I have your note respecting your son, in all probability the Pacific Railway Survey will be continued briskly next summer and if I have anything to do with it I will be very happy indeed to do what I can in the way of giving your son an opportunity of gaining experience in field work, I will see you before then I have no doubt and will explain to you farther.

Believe me  
yours truly
