Dear S. Dawson

2A

I called on W. McKay
today to tell him what I
told you, that I had sold
Picture subject to confirmation
of the statements by yourself &
Mr. Shanh, & that with
less than 1/2 the money
would be paid the day
after receipt thereof.

W. McKay, with
cautious politeness,
informs me that I have
"no rights."

Perhaps it would be well
for you to write Mr. Primrose
& tell him what I have done?

& that Mr. Potter of
the Grand Jurk takes 1/3rd
of the whole financial
responsibility.

Yours faithfully

Dr. Robertson

I did not ask for
you in charge today
as I understood that he
was your route for the week,
but I heard he was still

here & I hope I shall
have the pleasure of
seeing him before he
leaves.

I have telegraphed Mr
Shankly Mr. Brady
will let you know
what they say.

Have you written about
Travers? You can return
him an answer & help for
the time necessary &
prepare the pits for
Shankly's examination.
We must have his exclusive
services.

My dear Sir

I am sorry to learn
 from you of to-day that
 there is any difference between
 you and Mr. Mac Kay as
 he has all the papers
 and is only waiting
 for the proper opportunity
 to see Mr. Mac Kay while
 you are away on matters
 with him.

I have been
 writing to you every
 day so that we
 may be able to see
 you on the papers
 I say we always do
 our best.
