Henry L. Kay Esq  
My Dear Sir

I have yours of 16<sup>th</sup> &  
(2) of 26<sup>th</sup> Ult: and telegrams 16<sup>th</sup>  
25<sup>th</sup> & 26<sup>th</sup> Ult:.

I have written Dr  
Dawson fully this morning  
on the subjects named and en-  
-close you a machine copy  
which will save me the trouble  
of going over the ground again.

I will not conceal from you  
that we are not without appre-  
-hensions that Prentiss will yet  
try for an extension of time  
or endeavor to give trouble in  
some way. We expect you and  
Dr Dawson to be very guarded  
in preventing this.

Yours very truly  
Howard D. Dawson
